1. **Katie Rasdall Lawes, The Principal Planning Policy Officer at TVBC** on the consultation which starts imminently to review the Local Plan, the reasons why an NDP is an important planning tool for any Parish Council and how many other Parishes are doing it in the Borough.
2. **Peter Kiddle, Parish Councillor – Goodworth Clatford.** Peter will give us the benefit of the experience Goodworth Clatford has had in doing their NDP, where they currently are in the process and some of the impacts it has had on their community.
3. **The Parish Council NDP Steering Group** – will outline the draft programme and timeline we plan to follow. We will also explain how we aim to get the whole community engaged to ensure the resulting Plan reflects the aspirations of the community.
 - This will be followed by a Q&A session.

CHARLES EYRE

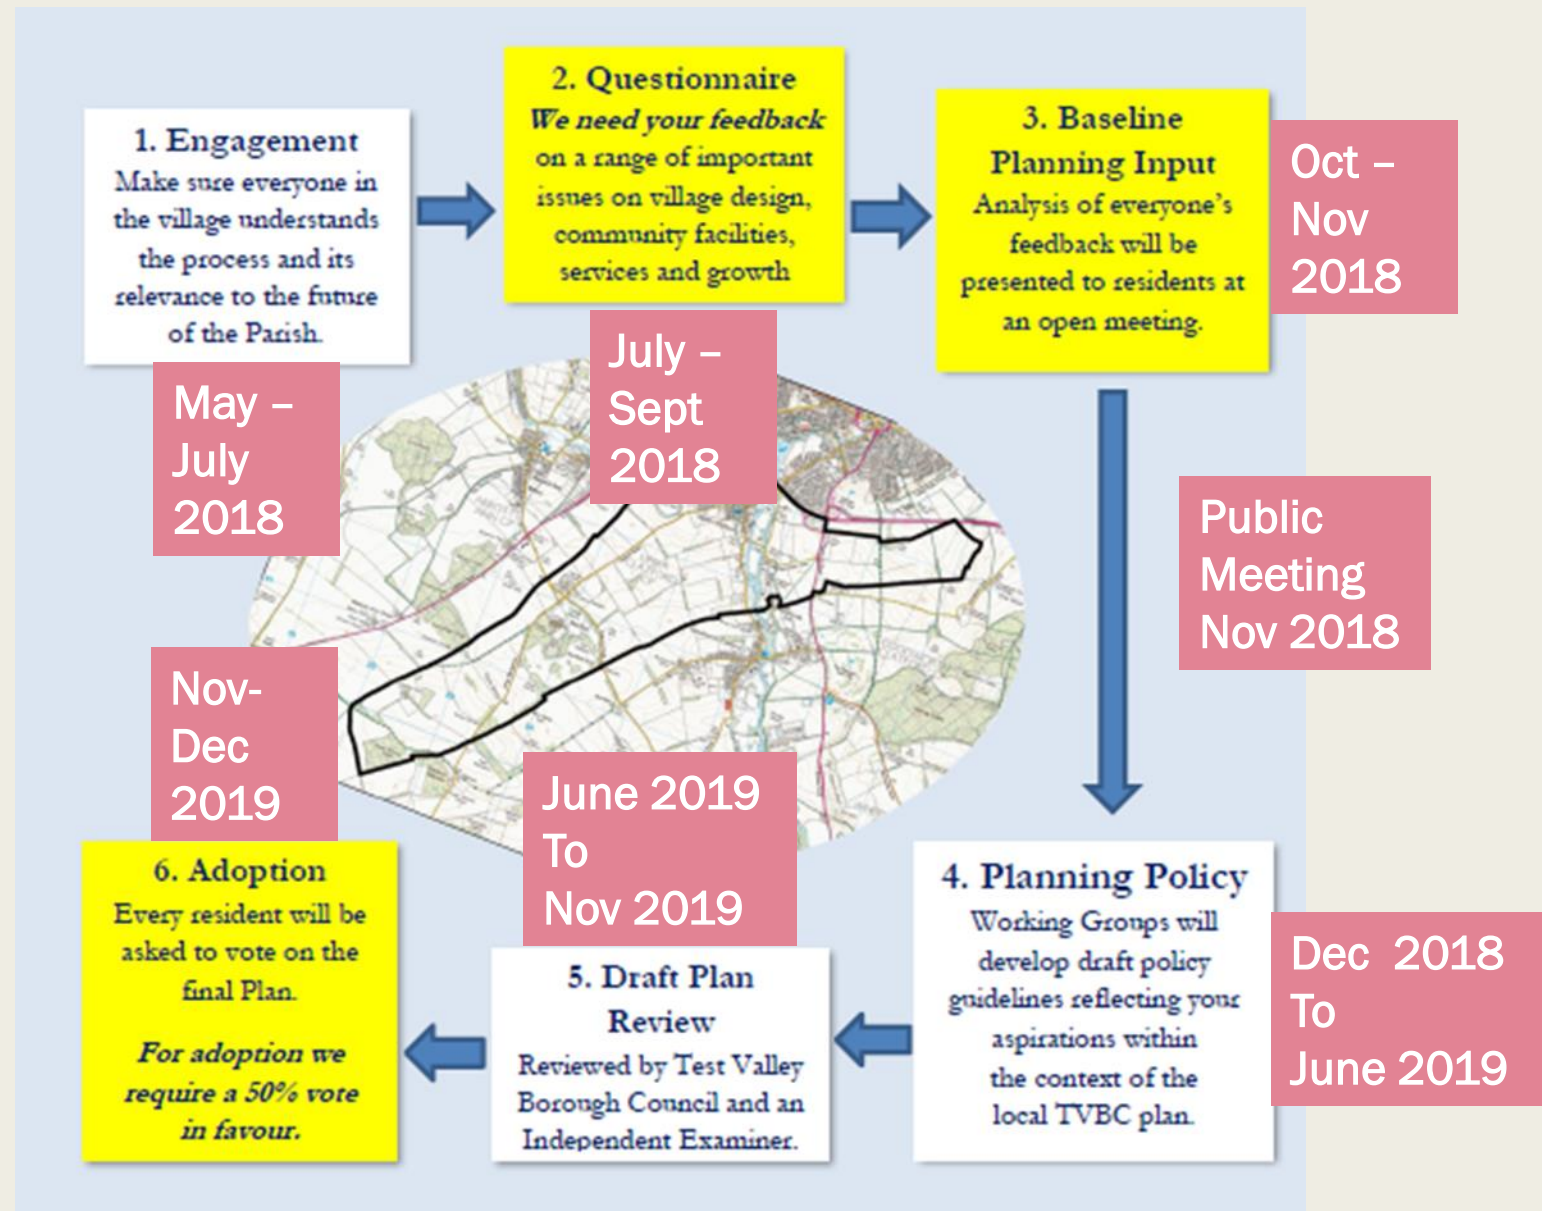

Chair – NDP Steering Committee – Upper Clatford Parish Council

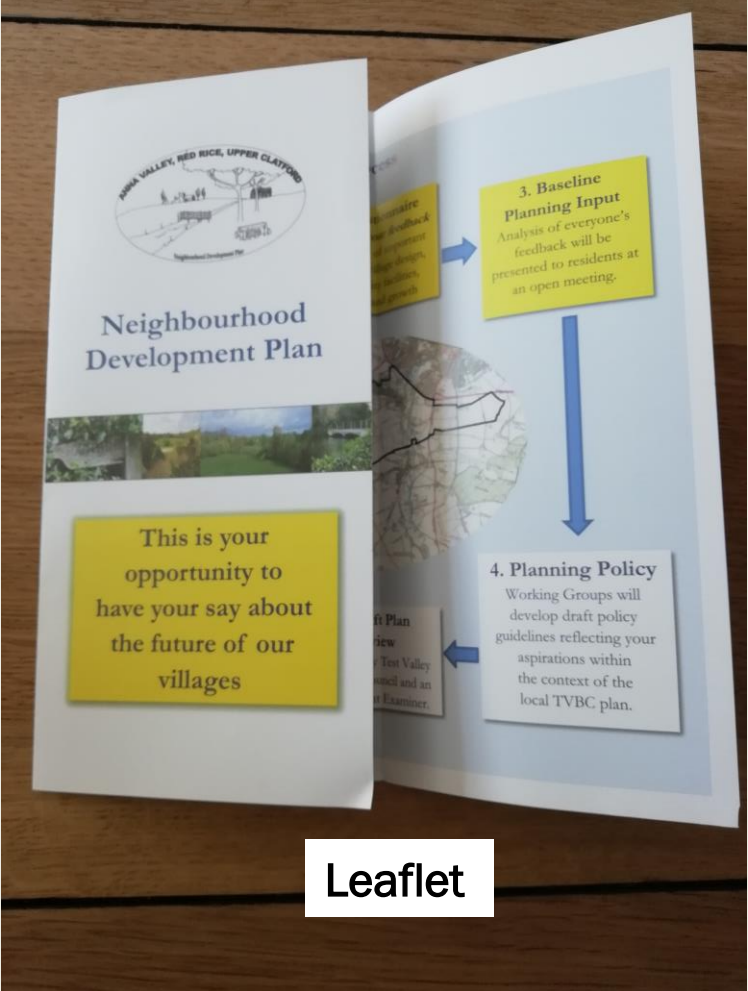

Why do we need your participation

- We need to be able to demonstrate:
 - *You are aware of the process the Parish is following*
 - *You have had the opportunity to give us your views*
 - *We have included your views in the analysis*
 - *We have been fully transparent*
 - *We need to collectively decide to do a NDP – or update the VDS*
- All parishioners have to vote on the final Neighbourhood Plan – so your engagement at an early stage is critical.
